

# Virginia's 1st Congressional District

## Speed Tests

Total population of the 1st Congressional District as of the 111th Congress: **786,237**

**Speed Test:** As a partner in the Virginia Broadband Mapping Initiative, Ecorridors Accelerate Virginia is responsible for collecting end-user connectivity information such as internet connection speeds, quality of service, costs, etc. Given sufficient sample size, such information will be used to expand the understanding of provider coverage data collected by the state.
